

# TAGSPRAYER™

Compression Sprayer designed for applying **TAGINATOR®** liquid graffiti removal product.

A graffiti removal product such as **TAGINATOR®** requires an applicator that can withstand the chemical combinations it contains. **ETS Co.** has designed a sprayer specifically for use with **TAGINATOR®**. This high impact resistant, two-gallon poly tank has a rebuildable steel and poly pump assembly. The compression cup is **TAGINATOR®** compatible. All parts in the unit are available for replacement.
